CLASSIFICATION OF SERVICE
High Efficiency Lighting Replacement Program

High Efficiency Lighting Replacement Program

Purpose

This program promotes an increased use of ENERGY STAR® rated Compact Fluorescent Light ("CFL") lamps among residential customers by purchasing and distributing CFL lamps.

Availability

A DSM program's rates, terms and conditions are available to residential customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff.

Eligibility

An eligible residential customer is a residential customer in Kenergy Corp.'s service area.

Member Incentives

Kenergy Corp. will purchase and distribute CFL lamps to its eligible residential customers.

Terms & Conditions

Kenergy Corp. will distribute up to six CFL lamps per residential customer.

Evaluation, Measurement and Verification

Kenergy Corp. will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.

ENERGY STAR® Clothes Washer Replacement Incentive Program

ENERGY STAR® Clothes Washer Replacement Incentive Program

Purpose

This program promotes an increased use of ENERGY STAR® rated clothes washing machines ("Qualifying Clothes Washer") among residential customers by paying a residential customer an incentive for the benefit of an eligible residential customer, who purchases and installs a Qualifying Clothes Washer.

Availability

A DSM program's rates, terms and conditions are available to its residential customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff.

Eligibility

A residential customer who purchases and installs a Qualifying Clothes Washer in the Kenergy Corp. service area.

Member Incentives

Kenergy Corp. will pay an incentive payment of \$100 for each Qualifying Clothes Washer purchased and installed by an eligible residential customer.

Terms & Conditions

To qualify for the incentive under this program, a residential customer must submit to Kenergy Corp. a copy of a paid invoice from a legitimate retail appliance supplier for purchase and installation of a Qualifying Clothes Washer on the premises of an eligible residential customer.

Evaluation, Measurement and Verification

Kenergy Corp. will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.

ENERGY STAR® Refrigerator Replacement Incentive Program

ENERGY STAR® Refrigerator Replacement Incentive Program

Purpose

This program promotes an increased use of ENERGY STAR® rated refrigerators ("Qualifying Refrigerator") among residential customers by paying an incentive for the benefit of an eligible residential customer, who purchases and installs a Qualifying Refrigerator and removes from operation and recycles an existing older, low-efficiency refrigerator.

Availability

A DSM program's rates, terms and conditions are available to its residential customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff.

Eligibility

An eligible residential customer is a residential customer who purchases and installs a Qualifying Refrigerator and removes from operation and recycles an existing refrigerator.

Member Incentives

Kenergy Corp. will pay a residential customer an incentive payment of \$100 for each Qualifying Refrigerator that is purchased and installed by an eligible residential customer in conjunction with removing from operation and recycling an existing refrigerator.

Terms & Conditions

To qualify for the incentive under this program, the residential customer must submit to Kenergy Corp. a copy of a paid invoice from a legitimate retail appliance supplier for purchase and installation of a Qualifying Refrigerator on the premises of an eligible residential customer and acceptable documentation that an older refrigerator has been removed from operation and recycled.

Evaluation, Measurement and Verification

Kenergy Corp. will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.

Residential High Efficiency Heating, Ventilation and Air Conditioning ("HVAC") Program

Purpose

This program promotes an increased use of high efficiency HVAC systems among residential customers by paying a residential customer an incentive for the benefit of an eligible residential customer who purchases and installs an HVAC system beyond contractor grade minimums to one of three types of ENERGY STAR® rated HVAC systems ("Qualified System").

Availability

A DSM program's rates, terms and conditions are available to its residential customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff.

Eligibility

An eligible residential customer is a residential customer who upgrades an HVAC system to one of three types of Qualified Systems.

Member Incentives

Kenergy Corp. will reimburse a residential customer an incentive payment based on the following table for purchase and installation by one of its residential customers of a Qualified System HVAC upgrade located in the Kenergy Corp.'s service area. The incentive paid for each Qualified System of one of the following types shall be:

Geothermal	\$ 750
Dual Fuel	\$ 500
Air Source	\$ 200

Terms and Conditions

To qualify for the incentive under this program, a residential customer must submit to Kenergy Corp. a copy of a receipt of purchase and installation at residential customer's residence of a Qualified System from a licensed contractor.

Residential and Commercial HVAC & Refrigeration Tune-Up Program

Residential and Commercial HVAC & Refrigeration Tune-Up Program

Purpose

This program promotes annual maintenance of heating and air conditioning equipment among eligible Residential and Commercial Customers by paying an incentive for the benefit of an eligible Residential and Commercial Customer, for professional cleaning and servicing of the Residential and Commercial Customer's heating and cooling system.

Availability

A DSM program's rates, terms and conditions are available to Residential and Commercial Customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff.

Eligibility

An eligible Residential and Commercial Customer is a Residential and Commercial Customer whose heating and cooling system is professionally cleaned and serviced in accordance with this program.

Member Incentives

Kenergy Corp. will reimburse a Residential and Commercial Customer an incentive payment of \$25 for each residential unit and \$50 for each commercial unit of an eligible Residential and Commercial Customer that is professionally cleaned and serviced. The incentive is available for up to three residential units per location, and up to five commercial units per location. The incentive is available once per unit per year.

Terms & Conditions

To qualify for the incentive under this program, a Residential and Commercial Customer must submit to Kenergy Corp. a copy of a receipt from a licensed contractor verifying that the heating and cooling system on the premises of an eligible Residential and Commercial Customer has been professionally cleaned and serviced.

Evaluation, Measurement and Verification

Kenergy Corp. will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.
